**Durable:** Can withstand adverse weather conditions. Rhino® Tilt & Tote Trucks offers a low maintenance service life and are corrosion, rust & chip resistant

**Long Lifespan:** Commercial-grade construction plus UV protection extends the life of the container and enables use both indoors and outdoors

**Robust Wheels:** For smooth handling and maneuverability

#### ■ Tilt Truck:

4" Castors (2 swivel) and 8" Wheels (2 roller bearing)

#### ■ Tote Truck:

4" Castors (2 Swivel and 2 Non Swivel)

**Frames:** Powder-coated to reduce corrosion, prevent flaking, and ensure long service life

**Steel Push Handle:** Designed for comfortable push or pull operations when empty or full

**Rhino Rim®:** Creates a strong and sturdier rim, enhances the finish and appearance of the product

**Easy to Clean:** Smooth surfaces and seamless construction makes cleaning easier and quicker

**Optional Hinged Lid:** Hinged Lid allows easy access to contents without removal and conceals loads without decreasing capacity

*Available only for the 1.0 Cubic Yard (202 Gallons) Tilt Truck and 0.5 Cubic Yard (100 Gallons) Tote Truck*
