GUPPY

GARBAGE BIN

Perfect for all seasons this round plastic outdoor bin with covered dome lid is admired, both for its beauty and functionality. The dome lid allows for easy access on all three sides and discourages the placement of garbage on top of the bin.

Rotationally Molded

5 YEAR GUARANTEE

UV Resistant

LLDPE
Linear Low-Density Polyethylene

100% Recyclable

MANUFACTURED BY:

Available in:
45 Gal (170 liters)

Durable: Can withstand adverse weather conditions. Rhino Bins offer a low service maintenance life and are corrosion, rust and chip resistant

Long Lifespan: Commercial-grade construction plus UV protection extend the life of the container and enables use both indoors and outdoors

Heavy-Duty Liner: Easily removable, smooth inner liner makes cleaning easier and quicker

Dome Lid: Enables surface runoff and deters users from leaving waste on top of the bin

Secure Base: (Bolts not included) can be bolted to the ground minimizing theft, vandalism and movement during heavy winds

3-Way Top: Making it easier to dispose of your trash
