27-29 Don Miguel Road Ext.  
El Socorro Ext.  
El Socorro 280616,  
Trinidad and Tobago.

**Available in:**

30 Gal (114 liters)  
45 Gal (170 liters)

**Durable:** Can withstand adverse weather conditions. Rhino Bins offer a low maintenance service life and are corrosion, rust and chip resistant

**Long Lifespan:** Commercial-grade construction plus UV protection extend the life of the container and enables use both indoors and outdoors

**Commercial or Residential Use:** Its sleek design is ideal for both indoor and outdoor

**Round Waste Entry:** The cover offers a stationary 6" entry for easily depositing recyclable waste and ensuring bin contents are properly concealed

**Stackable Design:** To maximize space when shipping

**Optional Secure Base:** (bolts not included) can be bolted to the ground minimizing theft, vandalism and movement during heavy winds

**Ideal Garbage Bags Size:**

30 Gal (33"x37") | 45 Gal (38"x46")

**Available Colours:**

Granite Blue  
Granite Green  
Granite Red  
Granite Grey
